Rental Properties

**I have been through all the cycles possible regarding real estate:** the 15 to 20% mortgages of the 1980's; the regular 5%-10% growth in the 1990's; the 180% rise of market values from 2001 to 2006 and the dramatic downturn in prices since 2006. **We are experts with Real Estate Owned properties, short sales, foreclosures as well as normal sellers and buyers.**
