### **Our Real Estate Team**

#### **Team Leader – Lee Jenkins *Certified Residential Specialist - CRS, Foreclosure/Short Sale Specialist - REO.***

Lee has over 30 years of South Florida Real Estate experience and has successfully consulted with and helped 1000's of satisfied clients. **Lee and her team have over 60 years of total experience and provide complete professional services and advice to sellers and buyers.** Why hire just a salesperson on a one time basis when you can have an entire team that provides World Class service that you will be happy to refer others to?

**Business, Marketing & Team Manager - Tim Callahan** has been in marketing since 1974 and a team member since January, 1991. He is our Team Manager and handles all our marketing, advertising, all Internet sites, Magazine Ads, over 65,000 mailings per year and the individual marketing of all listings. He implements and coordinates all our systems, operations & new ideas to help our clients.

**Buyer Specialist & Foreclosure Specialist – Michele Jenkins-DeVito** - Michele has helped hundreds of buyers & renters. She works with them on a daily basis to find the best property for their individual situation. She is available to handle team responsibilities when other team members are out of town, at seminars, etc.

**Buyer Specialist – Jennifer Jenkins-Ceballos MBA** - A recent team member, she grew up in real estate and has her MBA in Business from Nova Southeastern University and provides the same professional services and expert advice as the rest of our team members. Jennifer receives help whenever needed and has access to all the other team member's knowledge, experience and expert advice.

**Service Team Members** - See our Service Team list with **over 50 professionals** in all types of fields related to the sale and purchase of any kind of real estate. This includes a very experienced title company, expert mortgage broker, licensed insurance agent and home inspection company along with businesses like air conditioning, electricians, roofers, pool services, handy men, plumbing, sprinkler systems, windows, hurricane shutters, painters, yard/tree maintenance, garage door repair, appliance repair, house cleaning, etc.

In today's challenging real estate market, you need an experienced, professional team working for you to ensure the level of service required for a successful move. The benefit to you is that each member of our team invests their time doing what they do best.

As a seller, you receive the value of our entire team for the same commission you would pay an agent who works alone and who cannot possibly do everything it takes to get a property sold.

As a buyer, you receive all the benefits of our team, even though it costs you nothing except agreeing to work with us. You will have the advantage of all our experience and help with your property search and purchase as well as knowing all the hundreds of necessary details both large and small will be taken care of from contract to close.
